BOARD OF GOVERNORS NOMINATIONS

In accordance with procedures approved by General Faculties Council, nominations have been sought for the replacement of Burke Barker as a member of the academic staff on the Board of Governors. Professor Barker's term expires June 30, 1975. The following academic staff members are among the 14 who have been nominated for election to the Board. Profiles of the other seven nominees will be published in the next issue of *Folio*.

D.D. BETTS

Dr. Betts, Professor of Physics, has been Director of the Theoretical Physics Institute since 1972. He is a charter member of the Institute, which supports postdoctoral students conducting basic research in physics. Dr. Betts holds a degree in Physics (first class honors) from the University of King's College, associated with Dalhousie University; an MSc in experimental physics from Dalhousie; and a PhD in Mathematics from McGill University.

In addition to the teaching, research, and graduate student supervisory responsibilities that he has held during his 20 years on campus, Dr. Betts has served on a wide range of departmental and University committees. He also has been responsible for a number of Institute colloquia and seminars. He is a member of the Science Association of Alberta, Sigma Xi, the American Physical Society, and the Canadian Association of Physicists.

J.S. COLTER

Dr. Colter has been Professor and Chairman of the Department of Biochemistry for almost 14 years. He obtained his BSc here in 1945 and a PhD in Biochemistry at McGill University in 1951. He has taught organic chemistry and biochemistry at Sir George Williams University and microbiology at the University of Pennsylvania School of Medicine.

Dr. Colter is a Fellow of the New York Academy of Sciences and the Royal Society of Canada. He is a member of the American Association for Cancer Research, the American Society for Cell Biology, the American Association of Biological Chemists, and the Canadian Biochemical Society. He is Associate Editor of *Virology* and of the *Journal of Cellular Physiology*.

S.G. GELDART

Dr. Geldart is Chairman of the Department of Preventive and Community Dentistry and Administrative Co-ordinator of the School of Dental Hygiene. His first appointment to the Faculty of Dentistry was in 1957, five years after he had earned his DDS from this University. In 1967 he was awarded the Canadian government's Centennial Medal for service to the community. In 1968 he received his master's degree in public health from the University of Michigan. He is a Fellow of the International College of Dentists.

Dr. Geldart served on a number of committees of the Alberta Dental Association and was a member of the Master Plan Steering Committee of the Universities Commission until it was disbanded. He has served on the Convocation Committee at the University and has been Chief Marshal at convocation ceremonies.

M. HOROWITZ

Dr. Horowitz, Dean of the Faculty of Education, received his first appointment to the University in 1969 as Professor and Head of the Department of Elementary Education. He came to Alberta from McGill University, where he had held administrative positions in the education faculty. His degrees include a BA from Sir George Williams University, an MEd from Alberta, and a doctorate in Elementary Education from Stanford University.

He is a member of the Deans' Council, the Faculty of Education Council, and General Faculties Council. He has been on the Campus Development Committee, University Planning Committee, and the Committee on Off-campus Credit Courses. Dr. Horowitz has also been project director of the Tanzania Teacher Education Project.

His interest in early childhood education led to his involvement on the Canadian Committee on Early Childhood Education and on the N-12 Task Force of the Worth Commission on Educational Planning. He is an educational consultant for the Atlantic Institute of Education and is on the Board of Teacher Education and Certification.

D.K.J. KIEREN

Dr. Kieren first joined the staff of the University in 1967. For the past five years she has been Associate Professor and

Chairman of the Division of Family Studies in the School of Household Economics. She holds a BA (magna cum laude) from St. Olaf College and an MS and PhD from the University of Minnesota.

Within this University she has served on the Executive, Promotions, Staff Development, Student Appeals, and Space and Planning committees of the School of Household Economics; she also has been a member of the Chairman's Committee and the General Faculties Council Special Sessions Committee. Her list of publications include a book released this year, *Hers and His: A Problem Solving Approach to Marriage*.

J.M. KIRMAN

Dr. Kirman has been Associate Professor of Elementary Education since 1968. He holds a BA in Political Science from Brooklyn College and an MA and PhD in Social Studies Education from the New York University Graduate School of Education. His strong background in social studies education led to his being the codeveloper of the PhD program in Social Studies Elementary Education at The University of Alberta.

Last year Dr. Kirman was Chairman of the National Council for the Social Studies Curriculum Committee; this year he is Chairman of the National Council for the Social Studies Science and Society Subcommittee. He has served on the provincial Department of Education Committee on Curriculum Revision in the Social Studies. At the University he has been a member of the Intercultural Education Committee which prepares teachers for Indian and intercultural education situations; he also was a co-counsellor for the University's Hillel Foundation. For seven years Dr. Kirman was Editor of *Education for the Disadvantaged Child*. He is the author of *Communities in Action*, a national bilingual social studies program.

P.R. WINTERS

Dr. Winters, Professor and former Associate Dean of Business Administration and Commerce, was first appointed to the University staff in 1968 as Professor and Acting Chairman of the Division of Business Analysis.

During his three-year term on General Faculties Council, he served two years on the

Executive Committee of Council, was a member of the ad hoc Committee on Copyright, and chaired the Academic Appeals Committee. He also was a member of the Committee on Research.

Within his faculty, Dr. Winters has been Chairman of the Building Committee and a member of the Long-Range Planning Committee. Through his interest in computing and information systems he became involved on a faculty committee which made recommendations to a government steering committee studying the computer systems of Alberta's post-secondary institutions.

NOTICES

SOFT LANDSCAPING TO BEGIN

Landscape planting will begin on campus as soon as weather conditions permit. The areas to receive attention will be west of Rutherford House; north of the Humanities Centre; east of the Law Centre; west of Education North; southeast of the Administration Building; south of Mechanical Engineering; and west of the Biological Sciences Centre.

This will be the first phase of the 1975-76 soft landscape program. The second phase will be undertaken in the autumn after the 1975-76 hard landscape program is completed.

A program of updating the fire hydrant system is also underway. Some hydrants are being relocated and some new ones are being installed throughout the greater campus area.

CONFERENCE ON SOLAR ENERGY POTENTIAL

A conference entitled "The potential of solar energy for Canada" has been announced by the Solar Energy Society of Canada Inc. It will be sponsored by the Society in co-operation with the National Research Council of Canada and the Central Mortgage and Housing Corporation and will be held June 2 and 3 on the campus of the University of Ottawa.

Anyone interested is invited to participate. The fields of interest to be examined are: thermal energy for buildings; renewable clean fuel sources; electric power generation; and wind energy conversion. There will be review papers in each field followed by brief reports from those who are active or interested in the field.

Enquiries should be addressed to: Solar Energy Conference, c/o National Research Council, Ottawa, Ontario K1A 0R6.

THE CRISIS OF RAPE ONE-DAY WORKSHOP

A one-day workshop entitled "The crisis of rape" is to be presented by the Canadian Mental Health Association in co-operation with the Department of Extension April 26, beginning at 9 a.m.

The workshop has been designed to be an information session to explore the legal process, and the medical and psychological difficulties surrounding the problem of rape. The workshop is open to members of the general public as well as to professionals.

Resource persons will include an obstetrician and gynecologist, a counselling psychologist, a barrister and solicitor, the co-ordinator of the Rape Crisis Centre in Calgary, and an Edmonton policewoman.

Brochures outlining the workshop are available by calling 432-3033 or 432-5059. The registration fee is \$5 and is payable in 228 Corbett Hall.
